BIG FESTIVAL OF MUSIC IS MON. NIGHT

Six Hundred Young Musicians, 12 High Schools, Libertyville, May 16

ARLINGTON HTS. TO SEND MANY

The great annual Music Festival of the Northwest High School conference, twelve schools participating, will be held at 8:30 o'clock daylight saving time next Monday evening, at the large Libertyville High School gymnasium. About 600 students will take part.

To find the gymnasium, go north on Milwaukee avenue into Libertyville, turn left at the stop-light and go two blocks west. Admission is 35 cents at the door; no reserve seats.

Arlington Heights High school is sending about 65 students to participate in boys' and girls' combined glee clubs, mixed chorus, combined orchestra and band, under the baton of Mr. Raymond Dvorak of the University of Illinois, guest conductor. The organizations have been more severely pruned this year to insure better quality than ever; and higher grade compositions than before are being used.

The band will be of 141 instruments; the orchestra of over 90; mixed chorus, 311; boys' 124; girls' 218.

Voice groups from the twelve schools will report at the gymnasium for practice Sunday afternoon; and Monday afternoon at 1:30 o'clock. The orchestra sections report Monday at 8:45 a. m.; the band at 10:30.

The general chairman of the festival is Principal L. O. Bright of Antioch, in full charge of arrangements. Mr. L. Stark of Franklin Park and Mr. Lynn Huffman of Bensenville, are in charge of the instrumental work. Miss Hedwig Rice of Libertyville and Mr. Donald G. Costain of Arlington Heights are in charge of the vocal sections. Mr. Daniel Mason will assist in the instrumental tryouts. These and other instructors will do the preliminary work before the organizations are turned over to Mr. Dvorak.

All is arranged for what promises to be the greatest music festival the Northwest conference has ever held; and that is saying a great deal.

Among the Arlington Heights High school Senior girls who plan to sing at the festival are Florence Kolling, Lois Meyer, Loraine Nelson. Loraine Meier, Jessie Buck, Edna Buck, Dorothy Chidley, Elizabeth Kranz, Esther Knox, Barbara Koch, Minerva Grewe, Esther Kastning, Emma Seidel, Helen Martin, Leona Maleske, Elvira Neyn, Belle Bird and Helen Geffert; Juniors: Gladys Wilton, Mamie Scolaro, Esther Alten, Edith Ericson, Clara Koenig, Mary Grismer, Bessie Allen ,Doris Crofoot, Norma Meyer, Barbara Dresser, Elvera Landmeier, R. Ehard, E. Wille, D. Landeck, Elinor Smith; boys: Raymond Croft, Carl Weinrich, L. Malzahn, R. Roth, Don Meyer, Kenneth Zinn, Ellsworth Allen, Ludwig Isreal, Wm. Busse, Wm. Rateike. Chet Sieloff, Don Hausam and Edgar Flentie.

Band members from Arlington Heights high school will be Elvera Landmeier, Marvin Pingel, Don Meyer, Marion Jahn, James Manz, Harold Koelling, Wm. Busse, Leland Helwig, Roger Hertel, Don Goedke, Jessie Buck and Herbert Froemling.

Roy Harris Retires From Arl. Recreation Lunch and Pool Room

Patrons of the Arlington Recreation will not find Mr. and Mrs. Roy Harris in their customary places behind the cigar or lunch counters. They have retired, and John Kehe, one of the partners in the bowling alley, has taken over the lunch, cigar stand and pool room upon the lower floor. Roy has not decided what he will do as yet, and thinks that he deserves a little vacation, some of which will be spent with a fish rod in his hand.

Morton Student Wins District High School Golf Meet Saturday

In the District Golf Meet held Saturday at the Hillcrest course near Barrington, under direction of Mr. V. I. Brown, principal of Arlington Heights High school, 39 students from 14 high schools participated (71 students were entered.)

W. Kokes of J. Sterling Morton high school was first with a score of 78; Wm. Bublis, Thornton Fractional, second with 79; E. Schildberg, New Trier, third, 81; H. Wagner, J. Sterling Morton, and N. Craig, Deerfield-Shields, tied for fourth with 82 each.

Other schools entered were Arlington Heights, Barrington, Lyons, Proviso, Wheaton Community, Woodstock, York, Downers Grove, Antioch and Palatine. The meet was under the auspices of the Illinois High School Athletic association.

Arlington P. T. A. Last Meeting of Year, Next Tuesday

The last meeting of the Arlington Heights Parent-Teacher association for the current year will be held next Tuesday evening at the South school. Annual reports will be read, and installation of officers will be made.

For entertainment, Mrs. John O. Mitzlaff is to sing. Miss Dorrington's class at the South school will present a puppet show, "Felicia and the Brown Bear."

TESTING HAS ELIMINATED T. B. HERDS

Supervision Means Better Herds, Better Milk and Improved Health

Dr. W. W. Lichty, Cook County veterinarian, has some figures relative to the milk herds of this county that should interest the head of every family who uses milk from dairies that are supplied from local herds.

"Milk conditions," says Dr. Lichty, "have improved to such an extent that practically all the milk produced in this county is free from tubercular infection; and the children of the farmers who drink raw milk, are consuming as pure a milk as is possible without pasteurization."

The number of reactors are now from 1 to 1½ per cent, where the reactors were from 85 to 90 per cent when the testing first started eight years ago. Some months the number of reactors is less than one per cent. Very few reactors are found in retests, and those that are found, are upon farms where chickens and pigs come into contact with the cattle. There are a few places where the owners simply do not seem to be able to get their places cleaned up, and losses still occur there.

A reactor which is bad enough to be sent to the tank, is practically unknown in recent months. Originally from 20 to 30 per cent of the cattle ordered killed were unfit for food. The appraisal on cows that are ordered slaughtered has been reduced, but it must be borne in mind that cattle are cheaper today and the loss to the dairyman is no greater.

The local dairies are getting their supply of milk from some of the best dairy farms in this vicinity. Their patrons have the satisfaction of knowing that their milk supply is as pure as it is possible to produce. Dr. Lichty states that Cook county milk herds are as well kept today as such herds are anywhere and while some of the farms may not have any fancy names or fancy homes, the cows are as well treated and their milk is the best that can be bought. Incidently, Dr. Lichty can not say enough in praise of the cooperation he is receiving from the dairymen generally.

Miss Eleanor Lange of Arlington Heights Dies at Hospital

Miss Eleanor M. Lange, daughter of Mr. and Mrs. A. J. Kraemer, South State road, Arlington Heights, passed away Wednesday morning at Lutheran Memorial hospital, Chicago, following an appendicitis operation for which she had been taken the Wednesday before.

Beside her parents, Miss Lange leaves two brothers, Edwin and Frank, and a sister-in-law, Mrs. Alice Lange. She was a member of Arlington Heights Chapter No. 992, O. E. S., serving as "Adah."

The funeral service will be held at the First Presbyterian church tomorrow (Saturday) at 2:30 o'clock, Reverend H. A. Kossack of the Presbyterian church officiating. Interment will be in St. Paul's cemetery, Niles Center; arrangements by Lauterburg & Oehler.

Charity Baseball Game, Red Wings vs. Married Men, Thursday, May 19

Thursday evening, May 19, the Red Wing baseball team of Arlington Heights, will play a team of married men of Arlington Heights (all "old timers") at the Red Wing baseball park at Park and S. Highland avenues. Come out and see the old timers battle the youngsters. Gate receipts donated to Arlington Heights Relief Fund. Game called at 7 o'clock.

Twenty Applicants for Mt. Prospect Motor Cycle Police Job

The village dads of Mt. Prospect spent Monday evening interviewing ten local applicants for the job of motorcycle police that was made vacant by the resignation of Mr. Lesch, prior to the recent village election. The applicants total twenty, but the aldermen are only considering those who reside in the village.

FARMERS ARE ACTIVE IN TAX REDUCTION

Farm Bureau Fosters Organized Effort to Lower Realty Assessment

Quiet but active measures are being taken by the Cook County Farm Bureau, to secure a reduction in land values in Cook county. Delegations from the various northwest townships are visiting the office of the new county assessor this week. Palatine and Barrington delegations, headed by Mr. Barrett spent Tuesday with the assessing experts, Barrington being represented by J. C. Plagge, Wm. Krumfuss, Geo. Lageschulte and O. Sunderlage, and Palatine by Dan Bergman, F. W. Porep, Wm. Stelling, Wm. Bauman and Harry Schoppe. Elk Grove will have a hearing Thursday.

The visitors were given a hearing and the assessment roll was studied and a number of corrections were made. "The lowering of the land values by the county assessors," stated Mr. Cutmore, "will not bring much relief to the farmers, unless they see to it that their own local taxing bodies reduce their levies."

Under the present plan, an effort is being made to equalize the assessment of each township, after which a blanket reduction is being asked. The latter will of course be of some benefit to the municipalities, but it will soon be too late if the village people are to have their complaints especially studied.

Water Delinquents Less Than Usual; Deposits Required

It has taken some strenuous work on the part of the treasurer's office, aided by the water department, but the number of Arlington Heights water delinquents today is much less than usual and within a week the delinquency will be practically eliminated if present orders are carried out. Five day notices have been sent to all those who are not on the public relief list.

To Ask Deposits

Profiting by the practice of the Public Service Co., which requires deposits from new consumers, the local water department is asking either such deposit from applicants, or an agreement, signed by the landlord in which he agrees to be responsible for all water consumed on premises owned by him.

Arlington Heights Dog Breeder Wins Prizes at Rockford

The "Second Best Dog" in the All-breed Dog Show at Rockford Saturday and Sunday was shown by Mr. Theodore Siemro, on East Euclid avenue, Arlington Heights. This dog, "Cobra V. Klausenburg," a female, was also awarded a prize for the best of its breed at the show, the Harlequin Great Danes. Another female shown by Mr. Siemro, "Christine V. Priel," was also classed as "reserve winner" at the show. The first mentioned dog last fall beat Francis X. Bushman's dog of the same breed at the Chicago Show at the Armory at 16th and Michigan.

Mr. Siemro has been raising dogs of this breed since 1924. Recently he sold a puppy to be taken to South Africa to be used in hunting big game.

Mr. Paul Arneman, who has recently gone into the breeding of Boston Terriers, also attended the show, but did not make an exhibit.

Julius Garlisch Offers Seven-Acre Truck Farm For Sale at Auction

Any truck farmer who is interested in a small place with all modern improvements, including gas and electricity will find it to his advantage to attend the auction which will be held Saturday, May 14, at the Julius Garlisch farm, on Algonquin road. All the improvements are practically new. Further details will be found on page 7 of this issue.

Wheeling Publishes Annual Treas. Report

The Village of Wheeling is one of the smaller villages of Cook Co. but its finances are upon a sound basis with balances in all funds. J. A. Schmindke, village treasurer, publishes in this issue of the Herald the annual financial statement of that village, which gives all financial transactions of that village and includes the condition of the special assessment funds. Citizens and taxpayers of that village are able to see for themselves where their tax money is expended. There is over $4,000 on hand in the corporate funds.

Parents Awakened Too Late Grave Conditions Uncovered

An Editorial

This paper seldom publishes any sensational or sex stuff. Especially are we careful not to be critical of our public educational institutions, but the editor feels that conditions that have just come to light in a near-by high school, not a member of the Northwest Conference, are grave enough to receive a certain amount of publicity in order to awaken parents of high school pupils in Arlington Heights and Palatine as well as in other places.

From sources which are deemed reliable and from persons who have no sinister motives we learn that in one of the best high schools of Northern Cook county, failure on the part of certain 17-year-old boys and girls to observe social standards, has resulted in serious difficulties to both them and their parents. Through the influence of a family minister one young couple made a secret trip to Waukegan and were married. Perhaps that was by far the most honorable thing to do. Another young lady is reported to have withdrawn from school and gone to the home of her sister in Wisconsin. Certain others are reported to have been expelled or asked to discontinue school.

Undue familiarity between boys and girls resulting in such conditions is usually felt in the families of the so-called middle or lower classes. In this case, however, prominent families are involved.

Naturally the first reaction will be to blame the school. Already the school authorities have taken steps to reprimand the offenders and to warn all others.

But is the school to blame? We are not wholly advised as to the practices and control of this high school. We do know that the men and women at the head of the institution are high grade Christian characters. The acts of these pupils were not committed at school. The school and the church can not assume the entire responsibility for the morals of our youths. The school can not exercise control over boys and girls outside of school hours. The job is up to the parents. These young people went wrong not because of the school, but in spite of it.

"Oh, our boys and girls would not do that," you say. That is what these parents thought. Their boys and girls would not do such things. But they did.

Certain inclinations and desires are fundamental and universal. Our society brings these boys and girls together at a critical age and exercises far too little supervision over their lives. Parents must understand that if no restraint is to be placed upon these young people, the children can not be held wholly responsible for their mistakes.

Arlington Heights and Palatine have no occasion to assume a "holier than thou" attitude. "Let him who is without sin cast the first stone." But let every parent determine that such a grief shall not come into your home because you have failed to instruct and control your children.

Would-be Attacker Caught by Police After Two Mile Chase

Carl Schimka, 919 North avenue, Des Plaines, married, with one child, was captured by state police at Palatine Monday noon after a two mile chase across fields after having threatened and chased a fifteen year old Palatine high school girl, who is a member of the freshman class. He was placed under arrest and spent the night in the Palatine jail. A hearing was held Tuesday morning and he was fined $25 and costs on a charge of disorderly conduct. A more serious charge, which would have brought a jail sentence was impossible as he was thwarted before he had the opportunity to lay hands upon the young lady. The latter appeared at the trial and aided by a high school instructor volunteered the evidence upon which the fine was inflicted. The man was so severely frightened by threats of bodily injury that he probably will not make another such attempt, and will keep away from Palatine.

The high school pupil, who resides upon the eastern outskirts of Palatine first met the man when on her way home to lunch. The passing of two autos are supposed to have saved the girl from molestation at that time. It was when returning to school that Schimka again accosted the girl, who ran from him. A woman in a nearby house witnessed the affair and phoned Moehling's lunch room, where state officers Teske and Brindise were ordering lunch. The two immediately started down Palatine road, while Hans Schroeder also took up the chase with his car. Schimka started north across the fields and when on the north line of the Kreft farms, was headed off by Schroeder and turning about found himself in the arms of the law.

He admitted his guilt and gave no excuse for his action, although he complimented the officers on their fast work.

Ordinance Prohibits Parking on State Rd.

The Arlington Heights village board held an adjourned meeting last Wednesday night, adopted the necessary resolution, asked by the state for the repaving of State Road through the village and passed an ordinance which prohibits parking anywhere on that street at any time. With only a twenty foot street, parking would obstruct a state highway and as the paving is being done without cost to the adjoining property owners, the latter made no objection to the ordinance.

Alderman Barrett reported that a fourth of the people of Arlington Heights were delinquent in their water bills. He was given full power to enforce the collections. The board adjourned without any further action.

Arlington Student On Honor List of State University

Edward Carl Wahl, 915 N. Highland avenue, Arlington Heights, a former pupil of Arlington Heights high school, is another of the local high school boys who have made good at college. Mr. V. I. Brown has received official information that "Eddie" is on the "Honor List" at the University of Illinois this year—the first one from Arlington Heights to achieve this distinction at the state University, although others have made good records.

"Eddie" also plays on the Illini baseball team. Illinois defeated Wisconsin at Madison last Saturday, and Mr. Edward F. Wahl, Senior, attended the game. Ed. Jr., is enrolled in the coaching school. He played center on the Arlington Heights high school basketball team.

"Honor Day" was established at the University of Illinois at Urbana-Champaign in 1925; and the eighth annual Honors Day convocation will be held in the University Auditorium at 10 o'clock today (Friday). On this occasion the University gives public recognition to those students whose scholarship record ranks them within the first ten per cent of their class. Their friends are cordially invited to be present. The convocation exercises will be broadcast by the University station, WILL, wave length 337 meters, or 890 kilocycles.

Layman's League Grows; Strong Program is Held

The regular meeting of the Lutheran Layman's League (Men's club) of St. Peter's Lutheran church, was held on Tuesday evening, May 10. A lovely game of indoor was played before the meeting. Three new members were taken in at this meeting bringing the membership to 57. After the business meeting a number of songs that were greatly appreciated were given by a quartette consisting of Dorothy Landeck, Miss Seidel, Edgar Flentie and Lester Malzahn. After this a friendly discussion was entered into, and the subject of the Layman's duty as a helper in the upbuilding of the church.

The next regular meeting will be held on Tuesday evening, May 24.

Dorothy Aldis, Poet of Children, Reader At Teachers' Meet

Mrs. Dorothy Aldis, children's poet, will give readings at the annual breakfast meeting of the Central Council of Childhood Education, Saturday morning, May 14, at 9:45 o'clock in the Wedgewood room. Marshall Field Tea room. The breakfast is being given in honor of the graduating classes of the following schools: National College of Education, Chicago Teachers College, Pestalozzi-Froebel Teachers College, Chicago Normal College, University of Chicago, and Illinois State Teachers' College, DeKalb.

GRAND PRIZE IN SCIENCE TO ARLINGTON

Local High School Wins in State-wide Competition, Jr. Academy

Arlington Heights High school was greatly honored Friday and Saturday last week, as its Science club under the guidance of the Science department took the Sweepstakes prize for the whole state and nine other awards for exhibits made at the University of Chicago in connection with the Annual Spring meeting of the Junior section of the Illinois Academy of Science. Eighteen high schools competed.

Beside the Sweepstakes, for which a handsome loving cup is now at the office of the high school, awards were as follows:

Poster Making: Arlington Heights Science club, first; also for individuals: Willard Fessler, first; Ralph Briggs, second; La Verne Olson, third.

Willard Fessler's "poster" was a display of various types of roots, mounting actual specimens. This was the first poster on biology. The club poster was concerning conservation. Ralph Briggs' poster was on wild flower preservation and forest fire prevention.

News Letter Writing: Arlington Heights Science club, first. This was for the club paper edited by Howard Sayers.

Projects: Frederick Nette, first; La Verne Olson, Leonard Reimer and Williard Mier, each third.

Fred Nette's project was a three-tube, short wave receiving set he built himself, and on which he has heard foreign stations. This was in the radio division of the Science club under the direction of Mr. Thornton. Leonard Reimer's project was a two-stage amplifier. La Verne Olson's was an electric furnace. He had stiff competition by other schools. Willard Mier's project was a collection of wild flowers.

Altogether the contributions of the Arlington Heights club, some of which did not receive prizes but were worth while, are very interesting. One of the projects is a device for measuring the growth of a plant; another for projecting pictures from post cards on a screen.

Maine township high school won the state prize in chemistry; Morgan Park in Biology; J. Sterling Morton at Cicero in Physics.

Robert Meyer, student of Arlington Heights High school, is president of the Junior Academy of Science of the state, and presided at the session at the University. Exhibits were set up in the Sunny Gymnasium and judged Friday morning, followed by luncheon at Ida Noyes hall; then a program in the Graduate building, School of Education; then at 4 o'clock a museum tour; at 6:30 the annual banquet at the new dormitories of the University. Next day was an inspection tour of the Adler Planetarium, Shedd Aquarium and Field Museum.

Members of Arlington Heights high school attending the sessions included Robert Meyer, Belle Bird, Ralph Gaul, Norma Meyer, Ralph Spears, Florence Patrick, William Meier, Ralph Briggs, La Verne Olsen, Howard Sayers, Wilson Whitmore, John Taylor, Elvera Landmeier, George Svetanoff, Principal V. I. Brown (Friday), and Mr. Thomas Wilson; Miss Russel of the faculty conducted the tour of Arlington Heights students Saturday. About 300 high school students in all attended the sessions.

Included in the Science department of Arlington Heights high school are instructors Thomas Wilson, who is on the statewide High School Science and Clubs committee for the Illinois Academy of Science, E. B. Thornton, Everett Scales, and Miss Mary Funk. Officers of the Arlington Heights Science club are Belle Bird, president; Robert Meyer, vice president; Grace Barrett, secretary, and Ralph Gaul of Mount Prospect, treasurer.

Robert Meyer presided so excellently that he was wanted as state president another year; but the constitution forbids anyone, or any school having the presidency two years in succession.

Simpson Asks Recount In Tenth District

Although Representative Ralph E. Church has been declared nominated for Congress from the Tenth Congressional District by 73 votes, James Simpson, Jr., through his attorney, Urban Lavery, contended Tuesday before Circuit Judge Lynch, that a recount would show that he had won the nomination.

The judge then ordered the ballots impounded and announced that he would hear arguments Saturday from Lavery and from representatives of Mr. Church.

Mr. Simpson charges that his vote in ten precincts was not counted.

New Sandwich and Eat Shop Opens in Former Zimmer Bldg.

Mrs. Laura Duthorn-Alfred is opening a confectionery store in the former Zimmer building on North Dunton avenue. It will be called Laura's Sandwich and Eat Shop, and will be ready for business the latter part of next week; the fixtures now being installed.

ORGANIZE STRONG BASEBALL TEAM IN ARLINGTON HTS.

Arlington Boosters Base Ball team play their first game against the Cicero Shyrons at Arlington East Side Park Sunday, May 15.

The team is composed of good all-around ball players, that will give a good account of themselves in every game this season. The management is desirous of informing the ball fans of Arlington Heights that they can be assured of first class ball.

Arlington Heights will have a strong baseball club this year under the managership of Wallie Breen and Carl Schmit.

Both boys have played in many minor league clubs.

The season will open May 15 or 22. All local players are requested to be out for a tryout, as the club have signed up Art Dieball to pitch and Joe Brodnan for the out field.

To mention some of the players, starting from the catcher: Cole Madden is one of the best hitting catchers outside of big leagues, and all those who saw him in action last Sunday can judge for themselves. First base is open so far, but they will have a good man here when the season opens. At second base they will have Carl Schmit, who has played league ball and who also is a good reliable hitter, also a fast man on bases. At third we have Harry Smith, who can cover lots of ground and has a bullet arm. In short stop, Harry Sikey we have one of the best fielding ss's in the middle west, he has played with Brooklyn and other Minor leagues, also is a good hitter and fast on bases.

For left field we have Casey Witt, who played last year in over twenty games without an error. He also can hit with the best of them. In center field we have Mel. Madden, brother of the catcher, who can pitch, also is a reliable hitter in pinches. In right field we have Joe Brodnan, local boy whom all the fans know. As extra, Len Breen, son of the manager, will play the outfield.

The managers are going to ask the Mayor to have him pitch the first ball. Admission will be ladies, 25c; men, 35c. Watch for posters, and next week's papers, as the managers will have all the line-up in full.

Commercial Students In District Contest

Arlington Heights High School commercial department participated in the District contest at West Aurora high school Saturday, May 7. Other schools participating were Hinsdale, Downers Grove, Proviso, Argo, DeKalb, Sandwich, Yorkville, Ela, Barrington, Dundee, Warren, Grant, Madonna (parochial), and Batavia—fifteen in all. Arlington Heights received the following awards:

In the 90-word individual shorthand, Esther Kastning of Arlington Heights placed third, with an individual average of 99.3.

The first year students' 70-word shorthand team placed third, score 90.8.

In the individual 70-word test, Norma Meyer placed third, score 94.5.

The Arlington team was second in 90-word shorthand; average 97.5.

Miss Gladys V. Conry is the commercial department teacher in Arlington Heights.

Mrs. Elmer Benhart, Itasca, Passed on Without Warning

Mrs. Elmer Benhart of Itasca took suddenly ill last Friday morning, May 6; and passed away without warning.

Minnie Benhart (nee Hartmann) was born Sept. 4, 1903, at Schaumburg, Illinois; baptized at Rodenburg church, Sept. 27, 1903 by Rev. Heine; was confirmed April 22, 1917, by Rev. Seiltz at Rodenburg in a class of 12. She was married to Mr. Elmer Benhart, Nov. 14, 1926, at Rodenburg by Rev. Seiltz and has lived in Itasca since her marriage.

Mrs. Benhart was of the age of 28 years, 8 months and 2 days. She leaves to mourn, her husband, Mr. Elmer Benhart; her parents, Mr. and Mrs. Fred Hartmann of Schaumburg; her mother-in-law and father-in-law, Mr. and Mrs. Henry Benhart of Itasca; her grandmother, Mrs. George Benhart; four brothers; two sisters; three sisters-in-law; three brothers-in-law.

Funeral services were Monday, May 9, 1932, at 1:30 p. m. at her home in Itasca, and 2:00 p. m. at the Lutheran church, Rev. Zersen officiating in German and English. The Ladies' aid sang. Funeral arrangements were by Dzur & Karstens.

Honor Store Growth Brings New Shifts

Mr. Fred J. Buenger, prominent in the Main Street Crusade, and Honor Store organization, is made state director of enrollment, starting Monday, May 9. He will organize the state into territories comprising five counties each.

Mr. C. A. Mead of Des Plaines will assume charge of the promotion in the North half of Cook county exclusive of Chicago, and his district also includes Kane and DuPage counties.

Mr. N. J. Gruber, lately of this district, will assume charge of the mining district in southern Illinois.

The dues of the Honor Store organization were reduced to a nominal figure this week. The movement has grown to such an extent that this is possible.

GRADE SCHOOL OPERETTA IS THIS EVENING

Elaborate Musical Comedy Includes Many Heights Children

'Sunny of Sunnyside' will be presented by the 8th grade of the public schools of Arlington Heights, Friday, May 13, at 8:00 p. m. in the High School auditorium.

The action centers around "Sunny," an orphan, called "the little saint of Sunnyside." Sunny is the unselfish child who makes everyone love her.

Mrs. Raleigh, a wealthy patroness of the orphanage, and her neice, Eileen, have nearly decided to adopt Sunny, when a series of incidents cast doubt upon her character and she disappears.

How she returns and clears her name calls for many thrills and a chance for some fine acting.

Nearly every other line contains a laugh and each song is guaranteed to make a hit.

Don't miss seeing "Sunny of Sunnyside" played by these characters in the order in which they first speak:

Billie, the Tomboy orphan—Jane Martens.

Leila, the prettiest and vainest orphan—Barbara Salisbury.

Reddy, the "tough guy"—Richard White.

Amos, Leila's brother—Harley Bird.

Heck, one of Reddy's gang—Myron Masny.

Phil, the fat boy, on a diet—Bruce Clark.

Pauline, very much the fine lady—Agnes Thies.

Betty, the pet of the Sunnyside orphans—Ruth Geisel.

Rosa, a fiery little daughter of Italy—Dorothy Van Gelder.

Theodora, Leonora, the Quinn twins—Ella Steiger, Mercedes Militzer.

Nan, a helper at Sunnyside—Myrtle Thomas.

Sunny, the favorite of all the children—Mary Mors.

Paul, the new boy at Sunnyside—Howard Johnson.

Horace, the bookworm—Loyal Tingley.

Howard, one of Reddy's gang—Billy Foley.

Harriet, a lively orphan—Elizabeth Garland.

Jimmy, the crippled orphan—Robert Taylor.

Eileen, neice of the rich Mrs. Raleigh, patroness—Florence Hauer.

Tim, another of Reddy's gang—George Garland.

Antonio, Italian member of Reddy's gang—Steve Hipp.

Slim, Paul's older brother, a ne'er do well—Frank Minarik.

Jane, another orphan—Irma Hoffman.

Chorus of Orphans

Eighth Grade—Melvin Gaare, James Jensen, Otto Masny, Clarence Schuette, Ray Dreschel, Richard Adam, Vernon Sebastian, Albert Jerousek, Edward Thomas, Woodrow Kuecker, Elmer Szasz, Robert Proebstle, Clarence McElhose, Anita Svetanoff, Blanche Winkelman, Mildred Becker, Irene Johnson, Alice Mueller, Mary Wm. Hausam, Mary Jane Michael, Martha Bunn.

Dancers—Lucile Eversole, Marjorie Sayers, Marva Meyer, Adeline Podzimek, Martha Bunn, Cherie Burdick, Lorene Schuepfer, Naomi Towne.

Award Contract for Southside Sewer to Chicago Contractor

The board of Local Improvements of Arlington Heights organized last Wednesday evening; and after electing Walter Krause as secretary, opened bids on the Chestnut street sewer, and the contract was ordered let to Dominic Cuzzone, of Chicago, for $2,100. This improvement starts at George street, extends south on both sides of the street to South Street, thence west to Walnut street and serves a district upon which the pavement was laid prior to sewer improvement. Mr. Hitchcock has been asking for this improvement for some time and it was delayed for a time, awaiting bids from local workmen, which bids did not develop at the letting.

Eastern Star Members Attend at Park Ridge

Mr. Gustave Andresen, of Mount Prospect, past patron of Albany Park chapter, O. E. S., served Tuesday evening, May 10, as soloist at Park Ridge chapter. A representation of 25 members from Arlington Heights chapter attended; of which ten were from Mount Prospect. HEIGHTS RED WINGS WIN OPENING GAME

Opening their 1932 season with a victory, due largely to the steady pitching of "Peanuts" Meyer and some sensational fielding on the part of "Riggs" Swanson in centerfield, the Arlington Red Wings beat the Emigrantals A. C. of Chicago by the score of 4 to 2.

As the score indicates it was a close and hard fought game, neither team being sure of victory until the last man was out.

The Red Wings scored the first run of the game in the 3rd, when Bolte was safe on an error, went to second on a sacrifice, and scored on a hit by Willert. The Emigrantuls nicked "Peanuts" for one hit in each of the 2nd and the 3rd. In the 4th inning they threatened to score when, with one out, the second man up got a hit, the next man up took hold of one of "Peanuts" fast ones and lined the ball out toward center field. With the crack of the bat, "Riggs" Swanson was after the ball, but the wind was blowing the ball away from him toward right field. Realizing that the runner on base was sure to score if the ball got away from him "Riggs" acted in the same instant and took a head long dive for the ball, caught it, got up and doubled the man on base, who had run all the way to 2nd base, to end the inning, a promising rally.

In the next inning the Emigrantuls went into the lead, they scored two runs on two hits and two errors, to make the score 2 to 1. In their half of the 5th, the Red Wings tied the score up at 2 to 2, when they scored one run on a double by Dobbins and a triple by Willert.

In the 6th, the Red Wings took the lead when they scored one run on a triple by Bolte and a hit by Dobbins. After the 5th inning splurge, "Peanuts" yielded but one hit and no runs to the Emigrantuls. The Red Wings scored their last run on a walk to Tossman, a stolen base, and a hit by Dobbins, to make the final score 4 to 2.

A large crowd was out the see the opening game of the Red Wings, and that they enjoyed the game and like to see good games was evidenced by the cheers and applause given to "Riggs" Swanson in the 4th inning for his seemingly impossible catch of a sure hit, and also by the comments to the players and amongst the fans themselves. Dobbins with 3 singles, and Willert with a triple and a single led the attack on the opposing pitcher.

Added to the members that made up the team last year, the Red Wings have some new players this year to give them more strength to their line-up. Amongst the players are "Peanuts" Meyer who is destined to be our first string pitcher, "Rox" Bolte, a very good catcher, a good hitter and heady all around ball player, "Bill" Dietrich, utility pitcher and also a good hitter and outfielder. "Percy" Hertel, a utility infielder; and "Otts" Meyer, a utility outfielder. In addition to the new players, the Red Wings have been very fortunate this year in getting Mr. George Glow to manage the team, and who promises the fans that this year, all games will be like that of last Sunday. Because of the added player strength, stronger teams can be played and better games will be the result. So come on all you ball fans, come out every Sunday, and see Ben, Riggs, Swede, Peanuts, Rox, Dell, Farmer, Marty, Frankie, Shammy, Ken, Percy, Red. Otts, all boys you know and give them a cheer during the game; and after the game is over you can even give them the Bronx cheer if you want to, and tell them how you would have played the game if you had been in their place.

Next Sunday the Maywood Illini, a team largely composed of former University of Illinois players, will be the opponents of the Red Wings on the south side ball grounds; the game to start promptly at 3 p. m.

Winkie Finds New Airwheel Tire Has Great Traction Power

"If it's not a Goodyear, it's not Goodyear company, property of the Goodyear tire exclusive tradem a r k e d wheel is the exclusive trademark that the word Airballoon tire, the latest word in automobile tire equipment. By that I mean Elroy Winkelman, local Goodyear dealer, speaking of the new, big pillow-like Airwheel," said

which not only introduced this tire for the automobile user, but originated and developed it for use on airplanes some years ago.

"We have been demonstrating these tires on our service car and have found that they are a superior improvement when it comes to smooth riding and cushioning; traction, safety and ease of handling.

"Mr. Winkelman found that in several inches of clay or mud the big tires pulled his car through when another car shod with ordinary balloons was stuck and had to be pushed out.

"Goodyear developed and tested the tire in its own extensive laboratories, as well as on its fleet of trucks and automobiles for a year before we dealers got a chance at them, so of course the company knew what it was placing on the market from every standpoint."

Mr. Winkelman said that he was able to furnish the Goodyear Airwheel tire in four sizes to fit a range of 15 popular models of automobile—6:50-16; 7.50-15; 8.25-15 and 9.00-13. The complete unit consists of the Airwheel tire, tube and disc, ready assembled to slip on the hubs of the car.

DEATH NOTICE

Miss Eleanor M. Lange, beloved daughter of Mr. and Mrs. A. J. Kraemer, fond sister of Edwin and Frank; sister-in-law of Mrs. Alice Lange. Funeral Saturday, May 14, at 2:30 at the Presbyterian church in Arlington Heights. Interment St. Paul's cemetery in Niles Center. Member Eastern Star, Arlington Heights Chapter No. 992.

EASTERN STAR

The many friends of Miss Eleanor Lange, who filled Adah's station in this chapter, will be shocked to learn of her sudden death. She was rushed to the Lutheran Memorial hospital last week, where an operation for appendicitis was performed.

Matrons' and Patrons' night will be celebrated at the next regular meeting of the O. E. Star, to be held May 12. Sister and Brother Wilson of Palatine chapter will preside at the initiation.

The bridge benefit which was held last Saturday evening at the home of Mrs. Ella Hauer, proved to be a very pleasant affair. The worthy matron, Mrs. Alma Tesch, wishes to thank all those who participated in this, for their loyal support.

Take advantage of Saturday, May 21, to buy your week-end supply of bakery goods. The ladies of the O. E. S. are having their annual food sale. Not often do we have the opportunity to buy our Saturday night supper all prepared for us by these fine cooks. The sale will be held in the afternoon at Framberg's store. Keep this date in mind.

Unusual May Party Given by Parents' Scout Auxiliary

A benefit May party was given Friday night, May 6, by the Parent Auxiliary, Boy Scouts, efficiently and successfully conducted by members of the parent organization, in the Northwest Hills Country club, Mount Prospect.

From the gracious reception at the door, the cordial greeting after entering from groups of friends and new acquaintances, to the final close, there was not one dull or dragging minute.

There were 27 tables arranged for bridge, always eagerly occupied. The beautiful flower decorations so generously provided by Mr. George Klehm, lights, gaiety and a happy, brilliant assemblage, made this a real May party inside the hall, while outside the storm was raging.

At 10:30 refreshments were served. One of the attractive features of the menu was the prettily decorated individual cakes provided by the following ladies: Mesdames McNally, Schafer, Spears, McElhose, Kopplin, Schneberger. So attractive were these cakes, they soon received "the proof of the pudding" and disappeared. Other eatables were of the choicest that could be provided.

Splendid contributions to Scouts were provided by our home dealers, who are always ready to boost a good cause. The honor gifts or souvenirs were in charge of Mrs. McNally. Mr. W. A. Miles called the numbers of those who were to receive these gifts. In a happy, humorous way, quite inimitable, he gave the wonderful qualities of each, and proved that the donor was getting his full money's worth in a grateful publicity boost.

The beautiful quilt on which the members of the auxiliary had so patiently placed innumerable stitches, was received by Mrs. Geo. Schneberger and to her will be as a sort of family album reminding her of the Scout Mothers. Miss Dorothy Wolf received a set of China cups and saucers donated by Sadecky's store. A pretty and useful gift. Miss Florence McElhose received an apple pie done to "The Queen's taste" by Mrs. Menke, her special brand. Mrs. Arthur McElhose received an artistic tea tile from the "Buddie" Hottinger studio, just the needed article for Miss Florence to place her pie upon. Mrs. Herne, Mrs. Gahringer, and Mr. Miles each received toilet articles from the Prosser shop. Mrs. K. S. Wilcox received a scarf from the Davis' store. Mrs. Olson received silk stockings from the Emerald shop. Mr. Bernhard received the artistic picture donated by Mrs. Dearie. Mrs. Baird received a card from the Modern Beauty shop.

The following received courtesy cards for gas: Mrs. Alfredson, from the Wolf company; Loraine Nelson from the Lunning station, Mrs. Gahringer from the Michaels Pure Oils company; Mrs. Peter Thomas received polish from the Gaare Motor Sales; Mrs. Gaul received Simonize cleaner from Winkelman's Tire and Battery Shop; Mr. E. B. Dearie received a life and health insurance policy from Mr. W. A. Miles, certainly a worth while gift. Mrs. Baird received a tie from the Toggery company to match suits provided by the company. Mrs. Wallentin received a most enticing cake from the Blue Ribbon bakery. Whether it was cut, our deponent sayeth not.

Mrs. Madison was chairman of the arrangement committee; Mrs. Spears and Mrs. Dearie who, with the able assistance of the president, Mrs. Rose Miles, and other members of the committee, certainly performed most successfully, a Herculean task and brought about an unusual and delightful May party were parents and young people had a happy evening's entertainment together without anything to mar the homey genial joy of it.

The members of the Auxiliary desire to express their appreciation of all who so cheerfully gave of their time and means to make this May party a pleasing social success.

THE INCOME TAX

Illinois farmers will await with interest the decision of the State Supreme Court on the constitutionality of the state income tax. Judge Jesse Brown's decision, given in the Sangamon county circuit court, that a tax upon income is a tax upon property, hence is unconstitutional because not uniform, clashes with State Supreme Court decisions in Arkansas, Georgia, Idaho, Mississippi, Missouri, New Hampshire, North Carolina, and Wisconsin. All these courts have held that a tax upon income is not a tax upon property.—I. A. A. Record.

Long Grove Loses to Barrington 3-2

Long Grove, starting out the season, lost a hard game, which, of course, resulted from the five errors which were made on over anxious plays; the score being one to nothing up until the sixth inning in Barrington's favor, getting the run unearned on a bad error.

Jim bearing down, to overcome these errors, could not convince his support and to his surprise another run scored on a dumb faultless error. Barrington collecting but three hits throughout the nine innings was enough for them to establish a score of 3 runs. It was the toughest team that Barrington wants to face in a long time, for the Grove boys, had it not been for the terrible errors, would have had Barrington licked easily. The last inning was a thriller, for with one man out and a man on third and first, score being 3-1, Barrington's ffavor, Jim came up to see if he couldn't uncover the horsehide with two strikes on him, smacked the next pitch right into the center fielders mitt for the second out, but scoring the man from third after the catch. Ernie Hausaman, who was on first overran the bag and was doubled off, making it three outs, ending the game, 3-2. But next Sunday, May 15, Long Grove plays a Chicago team at Long Grove, so don't fail to see their second attempt.

ARLINGTON H'TS

Mrs. N. Stade on Wilke road is out again and is feeling fine.

Mr. and Mrs. Elmer Hahnfeldt from Itasca have moved in the Edw. Brockmann house, 410 S. Dunton. We welcome them to our City of Good Neighbors.

Mr. Edw. Brockmann and his brother, Richard, had a misfortune of tipping with a load of hay last week, both being hurt.

Mesdames Ashton, Kelo, Hodgkins, Berg, Guild, Mayer, Miles, Roth, and Hofstetter of the Woman's Club chorus of Arlington Heights sang with other club chorus at the Seventh District Spring Festival at Park Ridge April 29.

NOTHING like this has ever been done before. In offering this big, powerful, *heavy-duty* truck at $595, Diamond T crashes into a market which has never known such *truck* engineering and *truck* construction.

Today, when careful investment has everywhere replaced old, careless methods of buying equipment, the 26-year-old quality reputation of Diamond T makes a low price really mean something. Dozens of America's largest truck fleets are preponderately Diamond T . . . one fleet in particular includes 3,000 of these famous trucks.

Read the "high-spot" specifications of this new $595 Diamond T. Your own judgment will tell you that it is, indeed, the "World's Greatest Truck Value".

Come in and see this great truck for yourself—that's the best way to judge its superiority.

Official Publication

An Ordinance prohibiting parking on a certain part of Arlington Heights Road in the Village of Arlington Heights, County of Cook and State of Illinois.

BE IT ORDAINED by the President and Board of Trustees of the Village of Arlington Heights, County of Cook and State of Illinois:

SECTION 1. That it shall be unlawful for the operator of any vehicle to stop, stand or park said vehicle on any part of the pavement now or hereafter existing on the street or thoroughfare known as Arlington Heights Road (and also sometimes known as State Road) between the North line of Grove Street in said Village and the North line of Section 29, Township 42 North, Range 11 East of the Third Principal Meridian, in said Village of Arlington Heights, Illinois, except that an operator may stop temporarily during the actual loading or unloading of passengers, if such stop does not actually impede or endanger moving traffic, or when necessary to stop in obedience to traffic signs or signals of a police officer.

SECTION 2. The Board of Trustees or such other officers or employees of said Village as the Board of Trustees may direct, shall erect and maintain an adequate number of "No Parking" signs, setting forth the main provisions of this ordinance, said signs to be oblong in shape, the color of the background to be white and the color of the lettering and border to be black.

SECTION 3. Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished in accordance with the provisions of the State of Illinois.

SECTION 4. All ordinances or parts of ordinances in conflict herewith are hereby repealed in so far as they conflict herewith.

SECTION 5. This ordinance shall be in full force and effect from and after its passage and approval and publication.

Passed this 4th day of May, A. D. 1932.

H. G. PETER,
Village Clerk.

Approved this 4th day of May, A. D. 1932.

J. D. FLENTIE,
President.

Only People as Usual Can Restore Business as Usual

When you are your normal self, buying as usual, spending as usual, acting as usual—and when other people do the same—we soon have business as usual in the country at large.

This is an important fact for every one of us to remember. We should help to keep money circulating through the banks of the community. We need more frankness and faith in our day by day dealings with each other.

Co-operate with the bank and it will co-operate with you. This co-operation—multiplied a million times by the depositors of America—will do more than anything else to bring back normal prosperity.

With the vast resources of the national government now solidly back of reconstruction, we have a strong foundation for the progress of tomorrow.

There is a "BACK-*to-the*-HOME" movement

EVEN gad-abouts are becoming homebodies these days.

Instead of going places every evening, people are playing bridge or reading or listening to the radio at home. Instead of dining out, people are enjoying dinners cooked in their own kitchens, served in their own dining rooms.

Look back over the last few months. Haven't you been staying home more evenings than you used to?

Perhaps this is having some effect on the bill for gas and electricity you receive once a month. Perhaps this bill is a little higher now than it used to be—in spite of reduced rates for both these services. Here's why: Having more dinners at home, doing more baking, serving foods that require long-cooking mean your gas range is working longer hours. Washing more dishes means heating more hot water, using more gas. Playing more bridge and reading more books mean burning more electric lights.

But have you ever figured out what a real bargain these pleasant evenings at home are? Even if your bill for gas and electricity is a little higher than it was once, you're spending less than you'd have to for outside entertainment.

And don't forget that in spite of the fact that most of us are spending more time in our homes, many bills for gas and electricity are lower. Nearly $2,000,000 has been saved by families living in northern Illinois during the last eighteen months because of reductions in rates for these services. MILK DOWN TO ELEVEN CENTS QUART

Arbitration Favors Consumer; Farmers' Price Is Not Reduced

The new eleven cent price for quarts of pasteurized milk went into effect Tuesday this week; a drop of one cent a quart. This was the decision of arbitrator Dr. Clyde L. King of Philadelphia, after two days' negotiations.

In answer to inquiry of the Fessler Dairy in Arlington Heights, it is announced that natural raw milk produced under sanitary conditions is only 10 cents a quart, or 6 cents a pint. Pints of pasteurized milk are 7 cents; skim milk, 5 cents a quart, 9 cents two quarts, 16 cents a gallon. Coffee cream is 15 cents; whipping cream, 21 cents a half pint.

Of the eleven cent price for pasteurized milk prevailing in the Chicago area, it appears that the dairy farmers get but 39 per cent for their technical knowledge, large investments and their personal labor; union drivers get 41 per cent, and dealers 20 per cent. Or in other words, of the eleven cents, the dairy farmers get 4.29 cents, the wagon drivers 4.47 cents; and the dealers 2.24 cents.

Decision Not Final

The farmer price remains the same, as before the reduction in price to the consumer.

When the possibility of a cut in the May price to farmers became apparent, Pure Milk Association directors held a number of meetings in their districts and found that the feeling among the membership was that a cut in price would wreck them financially. The Pure Milk association, therefore, refused to accept the 25 cent reduction (per 100 lbs.) suggested by the dealers early in May and no settlement could be reached. Following several days of conference, Dr. Clyde L. King of the University of Pennsylvania was called to Chicago to arbitrate and whatever was his decision both groups agreed to accept.

After two days of arbitration Dr. King announced Saturday evening the following: "The price of milk in Chicago will go to 11 cents for quarts on May 10. This passes on to the consumer under present farm prices more than the dealers save under the recent wage agreement. I have grave doubts whether the dealers can live under the smaller margin left them. Market factors must also be considered. I have, therefore, taken the price of milk to the farmers under advisement, pending the effect on the market of such a change in the price of quarts."

Had the originally proposed 25 cent reduction to the farmer been made, over 18,000 farmers in the Chicago trading area would have had their incomes reduced by $7,500 daily. It is possible, however, that after Dr. King goes into the marketing costs more thoroughly he will find that the dealers actually cannot make ends meet under the new conditions. In that event, the producers' costs will be further analyzed and a decision rendered by Dr. King.

The reduction to the consumer is the third 1 cent cut in 16 months and brings milk in quarts 21.4 per cent under the 1930 price. The price of pints in Chicago has not been affected but remains at 8 cents.

W. C. McQueen, president of the Association, addressed the membership over WLS Monday noon and stressed the necessity for them to continue to produce the superior quality of milk for which Chicago is justly famous. He pointed out that the farmer members have a total investment of $364,000,000; and of this sum between $8,000,000 and $10,000,000 has been expended in the past three years to meet the rigid health requirements of the city. The Association's Laboratory Field Service has spent $300,000 during the same period to help the farmer produce a plentiful supply of quality milk for the Chicago area.

Teachers on Field Trip Saturday, to See Glacial Moraines

The tremendous glaciers of the Great Ice Age, and their work of creating scenic northeastern Illinois, will be the subject of discussion and field study when public school teachers from Cook, Lake, DuPage, Will, Kankakee, Grundy, Kendall, Kane, Boone, McHenry, De Kalb, and La Salle counties, meet at Joliet Saturday, May 14, to hold the third annual northeastern Illinois earth history field conference, under the sponsorship and direction of the Illinois State Geological Survey.

The group will assemble at Joliet High School at 9:00 a. m., Standard Time, on the day of the trip, and will spend about six hours in the field, with time out at noon, when the party will eat a picnic lunch on the crest of one of the terminal moraines which parallel the Des Plaines Valley.

Mr. Verne Condon, of the New Trier High School, Winnetka, who is in charge of the organization of the group, states that these field trips are State Extension projects, planned to supply teachers and others with fundamental information concerning the geologic history and natural resources of their own local areas. The trips are given free of charge, he says, and anyone can attend, provided he furnishes his own means of transportation, brings a packed lunch, and presents himself at the meeting place at the scheduled time.

Besides the Joliet trip, five more are scheduled to be held in other parts of the State during the year. On May 21, one will be given in the vicinity of Princeton, Illinois. Four others, at Rockford, Danville, Springfield, and Murphysboro, will be held on successive Saturdays, after the opening of the schools next fall.

Further information about these field trips can be secured, according to Mr. Condon, by addressing the State Geological Survey, Urbana, Illinois.

SCHOOL CHILDREN SMOKE, OLD LAW LIGHTS ON DEALER

Selling Tobacco to Minors Illegal; So is Their Puffing in Shops

It's against the law to smoke—if you're under 18 and in a public place. And it's against the law to permit youngsters to smoke in your place of business.

A forgotten law to that effect was dug up yesterday by authorities of Bowed High School. They used it to force Lionel Scott to move his shop, located across the street.

More than 100 students appeared to testify that Scott had let them smoke. Philip T. Gelling, assitant principal, testified that some one always yelled "jiggers" when he tried to catch the students smoking—Chicago Herald and Examiner, May 11.

EXTRA VALUES COUNT

LOW PRICES on tires is one thing—*extra quality* at low prices is quite another.

When you can get the *Extra Values* of Firestone's two patented construction features—*Gum Dipping* and *Two Extra Gum-Dipped Cord Plies Under the Tread*—at no premium in price, you are getting the most in Safety and Mileage your money can buy.

Prices for these *extra quality* tires are unbelievably low today; in fact, *the lowest ever known.*

The Tire That Taught* THRIFT *to Millions

GUM-DIPPED CORDS
The Firestone patented Gum-Dipping process transforms the cotton cords into a strong, tough, sinewy unit. Liquid rubber penetrates every cord and coats every fiber, guarding against internal friction and heat, greatly increasing the strength of the cord body, and giving longer tire life.

TWO EXTRA GUM-DIPPED CORD PLIES UNDER THE TREAD
This is a patented construction, and the two extra Gum-Dipped cord plies are so placed that you get 56% stronger bond between tread and cord body, and tests show 26% greater protection against punctures and blowouts. It sets a new standard for tire performance on high speed cars.

NON-SKID TREAD
Tough, live rubber specially compounded for long, slow wear. Scientifically designed non-skid gives greater traction and safe, quiet performance.

THEATRE SHOWS FOR NEXT WEEK

"Zombie" Mystery Play On the Paradise Stage

"Zombie" is coming! This mystery melodrama which enjoyed a successful run at the Adelphi Theater at $3 top, comes here intact on the stage—presented in three exciting acts. Pauline Starke, lovely screen star, has the leading role. "It's Tough to Be Famous"—comedy drama which reveals the secret life of our national heroes with dashing Doug. Fairbanks, Jr., as the public idol.

Barbara Stanwyck at the Uptown

Barbara Stanwyck, beautiful and gifted actress in her greatest role to date in "So Big"—taking the part of a woman who devotes her own life to making her son famous.—On the stage, "Clean Up"—something unusual in stage shows and in keeping with the spirit of the season. Marvelous dance routines, gorgeous settings, thrilling songs and uproarious laughter—a "clean-up" of joy.

Betty Compson at Tivoli Theater

Betty Compson, beautiful and talented blonde movie star, will be seen on the stage, singing, playing the violin and acting in her own giant stage show.—On the screen, "The Miracle Man," gripping, powerful drama — excellently played by huge cast including Sylvia Sidney, Chester Morris, Ned Sparks, Hobart Bosworth, Lloyd Hughes and John Wray.

Wynne Gibson—Pat O'Brien at McVickers

"The Strange Case of Clara Deane," a gripping story of a mother's sacrifice, is now at McVickers Theater.

Wynne Gibson, young and beautiful star, plays the title role, Clara Deane. She plays a woman who is torn from her child by a cruel justice — who suffers for years — yearning for her daughter—praying for the moment when they might be reunited. Then after waiting and yearning—after the law had put her child, now grown, beyond her power to reclaim, she makes the supreme sacrifice.

"The Strange Case of Clara Deane" is a poignant drama of a mother's heroism and courage to sacrifice her own love for her child's happiness. Besides Miss Gibson, other important parts in the picture are played by Pat O'Brien, Frances Dee, Dudley Digges, George Barbier, Russell Gleason, Lee Kohlmar, Clara Blandick and Cora Sue Collins.

Joan Crawford at United Artists

Joan Crawford and Robert Montgomery are seen together again in "Letty Lynton" which opens Thursday, May 12 at the United Artists Theater.

"Letty Lynton" is a filmization of a famous novel, based on the problems faced by an heiress who played with men's loves until she found herself in a trap of her own making. Miss Crawford plays the dramatic heroine amid tropical South American resorts, the whirl of New York life and aboard a great liner in midocean. Montgomery is the "right man" who comes along just in time to save her from her own folly.

Ramon Novarro in Exciting College Drama

"Huddle," a fast moving story of college life, will be seen on the screen of the Oriental Theater Friday, May 13, with Ramon Novarro and Madge Evans in the leading roles.

Ramon Novarro, who recently scored a sensational triumph opposite Greta Garbo in "Mata Hari," gives an excellent portrayal. Madge Evans, who rose to fame by virtue of her fine acting opposite Novarro in "Son of India," does another fine characterization in "Huddle."

"Huddle" has all the fun—the heartbreaks — exciting football sequences, and, above all, a beautiful romance runs throughout the film.

Ramon Novarro and Madge Evans have an exceptionally fine supporting cast.

On the stage Friday is a melody-filled and hilarious show called, "Dance Dreams."

"Dance Dreams" has gorgeous settings — beautiful costumes — sensational dance routine and an excellent cast of entertainers including Buck and Bubbles, a colored team that will have you shrieking with laughter; Marie Rio, fresh from George White's Scandals; Jack Triesnult and Company, daring Adagio dancers; singing and dancing that's a pleasure to see; Olive Sebley, a pretty little eye-full, and the beautiful and talented Chester Hale girls.

Ruth Chatterton on Chicago Screen

Ruth Chatterton, first woman of the screen, returns to the Chicago Theater Friday, May 13, in her greatest picture, "The Rich Are Always With Us."

The plot centers around a woman who seems to be an exception to the others in her set in that she is happily married. Or so it was thought until her husband suddenly becomes infatuated with a silly young flapper. She talks the matter over calmly with her husband and the other girl and sails for Paris for a divorce. She herself has been half in love with a famous writer who has always been devoted to her, and with her divorce she turns to him. She can't quite get over her mothering instinct for her ex-husband, however, which causes a break between the two. The rest of the picture develops surprise after surprise until it reaches an exciting climax.

Miss Chatterton gives one of the greatest performances of her long and illustrious career. Playing the male role opposite her is George Brent, who is destined to be the screen's outstanding sensation of 1932.

On the stage you'll see a miniature musical comedy condensed into forty minutes of smashing surprise entertainment called "Clean Up." You'll see marvelous dance routines —glorious settings—gorgeous costumes—golden songs and shrieking comedy.

"Clean Up" has a great cast of entertainers.

Farm Wages Now Lowest Since '11 Out of Line Yet

Urbana, Illinois. — Although farm wages are the lowest they have been in Illinois since 1911, hired labor costs are still relatively higher than prices of most farm products and consequently farmers are hiring as little labor as possible, according to R. C. Ross, extension specialist in agricultural economics at the College of Agriculture, University of Illinois.

"Wages of hired labor represent one of the more flexible places in the farm business where adjustments in cash expenses can be made readily. The reduced demand for hired labor and the smaller wages being paid indicate that Illinois farmers are making such adjustments. The demand for farm labor in Illinois on April 1 was only two-thirds normal, according to figures just released by the federal bureau of agricultural economics. This represents an effort not only to do farm work with a minimum of labor but also to supply that labor as far as possible from that available on the farm, thus saving cash outlay.

"Farm wages also reflect the reduced buying power of farmers, the adequate supply of labor and the reduced demand for it. Monthly wages with board, April 1, in Illinois were reported at $24, as compared with $32 on April 1, 1931, $41 in 1930 and $43 in 1929. Monthly wages without board were listed at $3[illegible] on April 1 this year, as compared with $43.50 in 1931, $52.50 in 1930 and $55 in 1929.

"On the basis of the 1929 scale, this is a reduction of 44 per cent in the case of wages with board and 40 per cent where board is not furnished.

"Farm wages are now the lowest since 1911, when rates were $23.40 a month with board and $32.10 without board. From this point they advanced to the high point in 1920 of $52.90 a month with board and $68.40 without board. The allowance for board which was $15.50 a month in 1920 was reduced to $13 in 1925, to $11.50 in 1930 and 1931 and to $9 in 1932."

CHRISTIAN SCIENCE CHURCHES

"Adam and Fallen Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 8.

The Golden Text was, "Man that is born of a woman is of few days and full of trouble. He cometh forth like a flower, and is cut down: he fleeth also as a shadow, and continueth not" (Job 14:1, 2).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Create in me a clean heart, O God; and renew a right spirit within me. Cast me not away from thy presence; and take not thy holy spirit from me. Restore unto me the joy of thy salvation; and uphold me with thy free spirit" (Psalms 51:10, 11, 12).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "There is but one way to heaven. harmony, and Christ in divine Science shows us this way. It is to know no other reality—to have no other consciousness of life—than good, God and His reflection, and to rise superior to the so-called pain and pleasure of the senses" (p. 242).

Ever Ready Club Active; Party is Planned for 19th

The Ever Ready club met Tuesday this week with Mrs. Raoul Peeter in her home on North Dunton avenue. Their usual sewing activities were taken up. The getting together the "makings" of a quilt.

One feature of the business hour was the donation to Miss Jackson in her Welfare work, a work the Ever Readies always are ready to help carry on.

The choice refreshments generously served by the kind hostess helped to enliven the party. A party was planned for to be given in the home of Mrs. James Milligan, Thursday evening, May 19. A family party all members are looking forward to that date.

The next regular meeting will be at the home of the president, Mrs. Roy Dobbins.

The former Dr. Charles W. Eliot, one time president of Harvard University, said emphatically, "Music rightly taught, is the best mind trainer on the list." Maria Schaefer Music Store, DesPlaines.

Man Lost 26 Pounds Looks 100% Better

Feels Stronger Than Ever

Just to prove to any doubtful man or woman that Kruschen Salts is the SAFE way to reduce—let us take the letter of Mr. F. J. Fritz of Cincinnati, Ohio, recently received.

He writes: "I've tried extreme dieting, setting up exercises with very little results—but the resuls from Kruschen are almost incredible. In 3 months I reduced from 205 to 179 pounds and feel stronger than ever—no more wheezing or gasping for breath—friends say I look 100 per cent better."

Bear in mind, you fat man, that there is danger in too much fat—try the safe way to reduce—one-half teaspoonful of Kruschen Salts in a glass of hot water every morning—cut down on fatty meats and sweets—one bottle that lasts 4 weeks costs but a trifle—get it at Ferd B. Wendt—or any drugstore in the world.

Mother and Daughter Banquet Accompanied By Unique Program

Over one hundred mothers and daughters gathered at the Methodist church May 4th for their annual mother and daughter banquet.

Mrs. Allison, program chairman, called upon Mrs. Samuel Taylor, who gave the address of welcome and in turn called upon Mrs. Waltmire. Miss Irene Russel also spoke a few words at the invitation of Mrs. Allison. Then followed a very impressive pageant depicting the various ages in a woman's life.

Mrs. Reinshagen and her baby represented lullaby time with Mrs. Alden singing the lullaby; the story telling age was shown by Mrs. Lenartson reading the story of the Three Bears to her little daughters, Jean and Carol Reinshagen; Rose Mary Heller, Barbara Jean Barrett and Janet Wasser, dressed in their mothers' clothes, put on a show with Janet as master of ceremonies.

Marjorie Wolf of Mt. Prospect gave a reading, "Sparklers," as representative of the interpretive age; the next age was represented by Mrs. Daniels and her daughter. Jean played a piano solo and read two poems which she had written herself, one a greeting to her mother on Mothers Day, the other about her garden. They well illustrated self expression and a desire to entertain which is well developed in a child of that age.

Marjorie Sayers, Jeanette Taylor, Doris Crofoot, Grace Barrett and Mariam Kalisch expressed the adolescents' dislike for dishes by singing, "I'm Forever Washing Dishes." The College girls, Harriett Barrett, Dorothy Helm and Dorothy Kopplin planned initiation stunts and discussed topics of college interest.

Then came the bride, Marjorie McNally. While her mother, Mrs. McNally, adjusted her veil, Mrs. Alden sang, "I Love You Truly." Marjorie Moodie brought in a beautiful bridal bouquet and acted as page when the music changed to the wedding march.

Mrs. Mildred Peters Richardson sang "Home, Sweet Home" while the family represented by Mrs. George Dobbins, Mrs. Elmer Klehm and her daughter were seated in the living room which was the stage scene.

Bouquets of flowers were presented to the oldest and youngest mothers and to the mothers of the most daughters.

The president appreciates the fact that the efficient workers on the various committees were largely responsible for the success of the banquet and wishes to thank them for their efforts.

Drake University Quartet at Arlington High School, Tuesday

On Tuesday, May 10, the students were entertained with a delightful program presenting the male quartet of Drake University from Des Moines, Iowa. The assembly was especially called at 2:35 p. m., and Mr. Raymond Davies, the personnel director of the university, was courteous enough to arrange that the school routine was not disturbed.

In the concert, Maxine Witmer, soprano, and Mary Harless, pianist, were especially featured by the quartet, and their talents were far from lost upon the student group, whose response was encouraging.

It was quite an honor for Arlington to present this concert of such a celebrated quartet. They are singing at the Drake and Blackstone hotels in Chicago this week, and are broadcasting over the network of the National Broadcasting Company.

The program was presented free of charge to the students and the balcony remained open for any visitors who cared to attend.

The novelty and unusual arrangements of the numbers impressed the audience; and the richness and quality of the voices combined with the rare harmony made the songs quite enjoyable.

The program started with a brief introduction by Mr. Davies and a presentation of the quartet. Without accompaniment they sang a very lovely and unique arrangement of Mother Macree, and the spirited descriptive piece "Rolling Down to Rio" by German.

Next Miss Witmer presented Linke's graceful "Glow-worm," assisted by a lovely background by the quartet.

A novelty piece "Old Man Noah" followed, by the quartet, then a delightfully entertaining negro spiritual "I'll Be Ready."

Miss Harless, the pianist, played a charming Caprice by Stoye, of whom she is a pupil.

A descriptive modern piece "Collegiate Love," and a negro serenade "Uncle Joe" were sung by the quartet.

The ensemble concluded the entertaining program with a great deal of effective action with Straus' "Hero Song," which was received with deafening applause.

For an encore the quartet presented "Blow Ye Winds of the Sea," which was rather brief but very well received.

Mr. Brown closed with a statement of appreciation for the Drake quartet and the assertion that Drake University should be proud of its achievement in these musicians.

"Did your watch stop when it dropped on the floor?"

"Sure! Did you think it would go through?"

The Illinois Federation of Women's Clubs will hold its thirty-seventh annual convention in Chicago from May 17 to May 20. Among the subjects to be considered by the delegates, from the viewpoint of women's clubs in general and the federation in particular, are community service, law observance, forestry conservation, international relations, education, legislation, public welfare, motion pictures, public health and child hygiene, American citizenship and the George Washington Bicentennial program.
